§24–104.

(a) A council may:

(1) study governmental problems common to two or more of its members, including matters affecting:

- (i) economic conditions;
- (ii) education;
- (iii) environment;
- (iv) health;
- (v) regional development;
- (vi) safety; and
- (vii) welfare;

(2) promote cooperative arrangements and coordinate action among its members; and

(3) make recommendations for review and action to its members and other public agencies that perform functions in the region.

(b) A council may employ staff and consultants.

(c) A council shall adopt bylaws that designate its officers and provide for the conduct of its business.

(d) A council shall submit an annual report of its activities to its members.
